ABOUT THE LUNCHEON

Now in its 30th year, the **Annual Be A Hero Luncheon** has celebrated the extraordinary individuals and organizations dedicated to creating brighter futures for children and youth in foster care.

As one of Voices For Children's Signature Events, the luncheon brings together more than 400 passionate supporters, including attorneys, judges, elected officials, philanthropists, corporate partners, and community advocates, to recognize the heroes who stand up for children in foster care and champion our mission year-round.

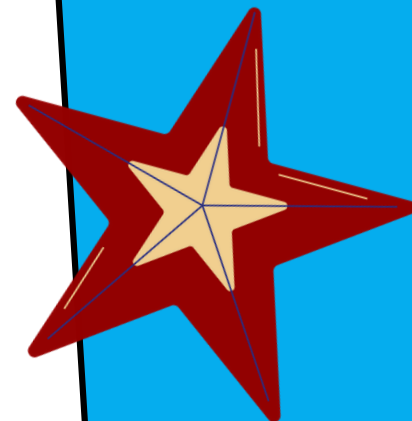

This year, **we invite you to embrace your superhero spirit** and join us for an inspiring and unforgettable afternoon at the Loews Coral Gables Hotel.

Voices For Children Foundation stands as a **beacon of hope for abused, abandoned, and neglected children** in Miami-Dade County's foster care system. These vulnerable children have endured unimaginable hardships, yet they are not alone. **With nearly 1,500 children and youth currently in foster care, Voices For Children serves as their safety net**—providing unwavering support to meet their essential needs, specialized advocacy, and life-changing opportunities. We believe every child should have access to the essential resources they need to heal, thrive, and build a brighter future.

Childhood is shaped by small moments that open our hearts and expand our horizons. At Voices For Children, we create meaningful experiences that bring joy, restore a sense of normalcy, and inspire children experiencing foster care to dream beyond their circumstances.

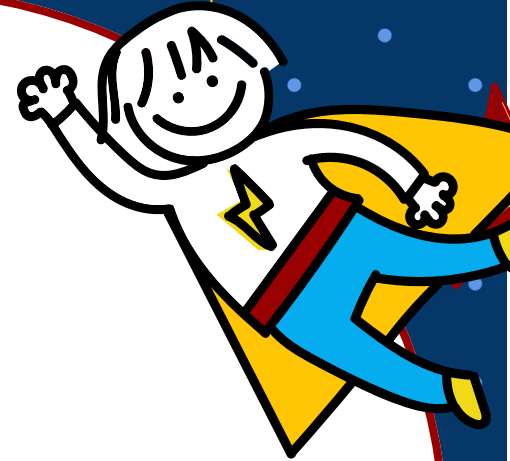

OUR IMPACT

Since 1984, Voices For Children has supported more than 45,000 children in Miami-Dade County's foster care system, providing advocacy, enrichment, and essential resources that help youth feel supported, connected, and empowered. Through continued program expansion, Voices now serves this vulnerable population through five core pillars:

- **Children's Needs:** Providing essential items and resources that ensure children in foster care have what they need to feel safe, cared for, and supported.
- **Child Advocacy:** Ensuring every child's voice is heard and their needs are represented within the child welfare system.
- **Trajectory-Changing Experiences:** Creating meaningful cultural, educational, and enrichment opportunities that broaden horizons and inspire possibility.
- **KINDship Care:** Supporting relatives and caregivers who step in to provide stable, familiar homes for children in care.
- **Bridge to Self-Sufficiency:** Equipping older youth with tools, guidance, and resources to successfully transition into adulthood.
