

Dear Community Investor,

There are three reasons why children find themselves in need of our help: abuse, abandonment, and neglect. For many, these cycles have been carried out from generation to generation.

For nearly four decades, Voices For Children Foundation has served as a safety net for these vulnerable young people, providing court-appointed advocates and access to essential support and experiential learning opportunities to help them overcome adversity and envision a brighter future.

On **January 18, 2025**, we celebrate our 40th anniversary with our 28th annual Be A Voice Gala, a signature event uniting our community's most generous and influential leaders. Under the theme "Fostering Hope," we will gather at the **Mandarin Oriental, Miami** at **7pm**, for a night of celebrating hope and resilience. This year holds special significance as it marks our final gala at this iconic venue, where we have hosted countless supporters since its opening in 2000.

Your partnership can make a profound difference in the lives of children in need. By becoming a sponsor, you join us in creating a community where every child has the opportunity to thrive.

We invite you to review the enclosed sponsorship opportunities and consider supporting our mission.

Sincerely,

Kadie Black

# LUXURY PARTNERSHIPS

Our annual Gala inaugurates the social season, establishing the tone for Miami's following Galas. Our Gala's growth and success throughout the years have helped raise awareness about the plight of children in foster care to our community's most influential individuals and organizations. Last year's Gala allowed us to raise over \$1.1 million to care for our community's most vulnerable children and youth.

We'd love to discuss crafting a partnership that elevates your brand. We've a history of successful collaborations, each tailored for mutual benefit. We can increase your brand exposure and attract new customers who share a passion for luxury goods. We can also explore hosting VIP pre-experience for a select group of guests, including a private showing of your luxury goods.

Below are links that highlight our past partnerships in addition to the invitations for your review.

# CAUSE OVERVIEW

Voices For Children Foundation, Inc. (Voices) is a beacon of hope for abused, abandoned and neglected children and youth in the Miami-Dade County foster care system. We do this by providing critical support for advocacy, essential needs and positive experiences. Voices believe that support for children should not be a privilege. Our Vision is that every child in the foster care system has quality Guardian ad Litem representation and fully centralized access to services and resources to meet their physical, social and emotional needs.

Voices was founded in 1984 by a small group of community leaders who were moved to action by the vulnerability of abused, abandoned, and neglected children in Miami-Dade County. Through a small seed donation of \$4,000, these leaders created Voices to address the lack of state-allocated resources needed to run the local 11th Judicial Circuit Guardian ad Litem program.

Since then, Voices has evolved to provide the 1,600+ children in Miami-Dade County's foster care system with a voice in court, basic needs, dignity items, and experiences so they can go from surviving to thriving. Today, Voices makes this happen by providing critical funds for advocacy through the Eleventh Judicial Circuit Guardian ad Litem program in Miami-Dade County. But only through donor and community support can Voices continue to fulfill its mission of providing representation for 100% of children in foster care.

Throughout our nearly four decades of service, we have helped **over 45,000 children**. We believe that every child in the foster care system deserves a voice and a champion. Voices relies on fundraising events, grants from private foundations and the government, and the generosity of individual and corporate donors to make our work possible.

# EVENT OVERVIEW

For nearly 30 years, the *Be A Voice Gala* has been a Miami tradition, uniting philanthropists with a shared passion for helping children. Guests arrive at an elegant cocktail reception featuring a silent auction with luxury items from local and national brands. The black-tie event includes an exclusive live auction filled with exciting pieces and once-in-a-lifetime experiences. As the evening unfolds, a heartwarming testimonial brings the mission of *Voices For Children* and the *Guardian ad Litem Program* to life. While guests enjoy dinner, they will hear directly from children, parents, and foster parents whose lives have been impacted by *Voices For Children's* work. These powerful stories illuminate the resilience of the children and the profound impact your support can make. After dinner, a DJ and flowing cocktails keep the party going.

However, the heart of the event remains: reminding you of the incredible opportunity to *Be A Voice* for Miami's most vulnerable children.

*Voices For Children Foundation (VFC)* will host its 28th Annual *Be A Voice Gala* at the Mandarin Oriental, Miami, on Jan. 18 at 7 p.m. This prestigious venue has been the gala's home since its 2000 debut. Back then, it welcomed 200 guests; today, over 500 community members gather to champion *Voices'* mission. This final gala at the current Mandarin Oriental Miami will underscore the importance of coalescing the community to protect children in the foster care system in Miami-Dade County that have experienced abuse, neglect and abandonment.

*Voices* is grateful for the longstanding support and partnership of Mandarin Oriental Miami and Swire Properties.
