## ABOUT THE LUNCHEON

Our **Annual Be A Hero Luncheon** honors the incredible community champions committed to improving the lives of children in foster care.

For the past 29 years, this Signature Event has brought together over 400 of our most dedicated supporters—including attorneys, judges, elected officials, philanthropists, and community leaders—to celebrate those who have made it their mission to be a voice for children in foster care. These heroes also include individuals, corporations, and organizations that have supported Voices For Children in its vital work.

**Unleash your inner hero!** Dress as your favorite superhero and join us for an unforgettable afternoon at the Loews Coral Gables Hotel. To make it even more exciting, this year's event coincides with Halloween, so prepare for extra festive fun!

Voices For Children Foundation stands as a **beacon of hope for abused, abandoned, and neglected children** in Miami-Dade County's foster care system. These vulnerable children have endured unimaginable hardships, yet they are not alone. **With nearly 1,500 children and youth currently in foster care, Voices For Children serves as their safety net**—providing unwavering support to meet their essential needs, specialized advocacy, and life-changing opportunities. We believe every child should have access to the essential resources they need to heal, thrive, and build a brighter future.

Childhood is shaped by small moments that open our hearts and expand our horizons. At Voices For Children, we create meaningful experiences that bring joy, restore a sense of normalcy, and inspire children in foster care to dream beyond their circumstances.

## OUR IMPACT

Since 1984, Voices For Children has supported over 45,000 children in Miami-Dade County's foster care system.

- **Experiential Learning Opportunities:** In 2024 alone, nearly 600 youth in care participated in transformative cultural, educational, environmental, and service-focused experiences designed to expand their horizons and inspire brighter futures.
- **Creating Brighter Futures:** Each year, youth in care take part in our annual statewide college tour, opening doors to higher education opportunities and encouraging them to envision a future beyond their current circumstances.
- **Reaching Permanency:** Our Permanency Specialist works to remove barriers for children who have been in foster care for over 18 months, collaborating with internal teams and partner agencies to expedite safe and stable placements.
- **The Comfort Closet:** In partnership with Miami-Dade County, this dedicated space provides foster youth—including those who have aged out—with access to essential hygiene products, clothing, and comfort items. Each year, more than 1,000 items are distributed, ensuring children have what they need to feel cared for and supported.
