Our Annual Be A Voice Luncheon celebrates our community superheroes dedicated to bettering the lives of children in foster care.

For the past 28 years, over 400 of our community's most devoted philanthropists, including attorneys, judges, elected officials, and community leaders, have gathered annually for this Signature Event that recognizes our community's heroes who have dedicated their lives to "being a voice" and making a difference in the lives of children in foster care. These Superheroes are also individuals, corporations and organizations who have supported Voices For Children.

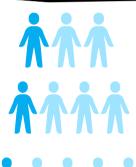

This year's luncheon holds a special meaning as we celebrate 40 years of making a difference in the lives of children. For four decades, we've been a constant presence for over 45,000 children in Miami-Dade's foster care system. To celebrate the joyous occasion, we encourage attendees to dress as their favorite superheroes... so get your capes ready to join us for an incredible afternoon at the Loews Coral Gables.

Voices For Children is a beacon of hope for abused, abandoned and neglected children in the Miami Dade County foster care system. These children have been subjected to the most heinous acts of abuse, abandonment, and neglect. There are currently over 1,600 children and youth in Miami-Dade's foster care system; Voices For Children Foundation is a safety net for these children. We strive to ensure that every child has a voice in court by providing critical funds for advocacy (through the Miami Dade Guardian ad Litem Office), basic needs, dignity items and experiences.

Our childhood is made up of little moments that collectively allow us to expand our horizons. Voices For Children helps facilitate memory making experiences that deliver a sense of normalcy and an opportunity for children in foster care to dream beyond their circumstance.

STATISTICAL OUTCOMES

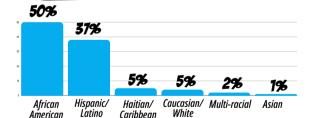

1/3 of children in foster care will live at or below the poverty level

1/4 of children in foster care **will end up in jail** within the first 2 years of aging out

1/5 of children in foster care will experience homelessness

CHILDREN WHO HAVE A GUARDIAN AD LITEM (GAL) :

- »Will spend less time in foster care reaching permanency quicker.
- » Are less likely to have poor conduct in school or get expelled.
- Are more likely to pass all courses and graduate high school
- "Have a consistent, responsible adult present in their lives.

OUR IMPACT

- » Since 1984, Voices For Children and the Miami-Dade Guardian ad Litem (GAL) Office have served more than 45,000 children in the foster care system.
- » Since 2016, over \$1.7 million in direct financial assistance through Voices' Children's Needs program has served over 6,000 kids in care with essential needs (such as food, clothing, and housing) dignity items, tutoring, summer camp, and experiences.
- » The Comfort Closet, made possible by Miami-Dade County, offers children in foster care, and those that have aged out, a dedicated space where they can get basic necessities and comfort items.
- » Voices For Children currently funds over 50% of the Miami-Dade GAL Office staff. This funding is critical to ensuring that all children and youth have quality representation a voice in court and in the community
