Our Annual Be A Hero Luncheon celebrates our community superheroes dedicated to bettering the lives of children in foster care.

**ABOUT
THE LUNCHEON**

For the past 28 years, over 400 of our community's most devoted philanthropists, including attorneys, judges, elected officials, and community leaders, have gathered annually for this Signature Event that recognizes our community's heroes who have dedicated their lives to "being a voice" and making a difference in the lives of children in foster care. These Superheroes are also individuals, corporations and organizations who have supported Voices For Children.

This year's luncheon holds a special meaning as we celebrate 40 years of making a difference in the lives of children. For four decades, we've been a constant presence for over 45,000 children in Miami-Dade's foster care system. To celebrate the joyous occasion, we encourage attendees to dress as their favorite superheroes... so get your capes ready to join us for an incredible afternoon at the Loews Coral Gables.

Voices For Children is a beacon of hope for abused, abandoned and neglected children in the Miami Dade County foster care system. These children have been subjected to the most heinous acts of abuse, abandonment, and neglect. There are currently over 1,600 children and youth in Miami-Dade's foster care system; Voices For Children Foundation is a safety net for these children. We strive to ensure that every child has a voice in court by providing critical funds for advocacy (through the Miami Dade Guardian ad Litem Office), basic needs, dignity items and experiences.

Our childhood is made up of little moments that collectively allow us to expand our horizons. Voices For Children helps facilitate memory making experiences that deliver a sense of normalcy and an opportunity for children in foster care to dream beyond their circumstance.

STATISTICAL OUTCOMES

1/3 of children in foster care **will live at or below the poverty level**

1/4 of children in foster care **will end up in jail** within the first 2 years of aging out

1/5 of children in foster care **will experience homelessness**

ETHNICITY

CHILDREN WHO HAVE A GUARDIAN AD LITEM (GAL) :

- » Will spend less time in foster care - reaching permanency quicker.
- » Are less likely to have poor conduct in school or get expelled.
- » Are more likely to pass all courses and graduate high school
- » Have a consistent, responsible adult present in their lives.

OUR IMPACT

- » Since 1984, Voices For Children and the Miami-Dade Guardian ad Litem (GAL) Office have served more than 45,000 children in the foster care system.
- » Since 2016, over \$1.7 million in direct financial assistance through Voices' Children's Needs program has served over 6,000 kids in care with essential needs (such as food, clothing, and housing) dignity items, tutoring, summer camp, and experiences.
- » The Comfort Closet, made possible by Miami-Dade County, offers children in foster care, and those that have aged out, a dedicated space where they can get basic necessities and comfort items.
- » Voices For Children currently funds over 50% of the Miami-Dade GAL Office staff. This funding is critical to ensuring that all children and youth have quality representation - a voice in court and in the community

HONORING THE LEGACY OF ANNABEL "BUNCHY" GERTNER

At this year's luncheon, we'll celebrate the legacy of Annabel "Bunchy" Gertner, a true force for good in South Florida's child welfare space.

Born in Philadelphia on July 10, 1934, Annabel's life was a testament to the power of kindness and the unwavering dedication to making a difference. A longtime resident of South Florida, Bunchy was devoted to our community's most vulnerable youth. She was a tireless advocate for children in foster care, working tirelessly to ensure their well-being. Bunchy's annual tradition (initially the Voices For Children toy drive, later Our Kids, and most recently Citrus) brought holiday cheer to more than 90,000 children and youth in foster care or independent living. Year after year, until 2022, Bunchy tirelessly worked for months leading up to Christmas to ensure every child in care had a wrapped gift to open. She also made sure that teens aging out of the system were given age-appropriate Christmas presents to help prepare them for independent living, such as sheets, towels, pillows, blankets, dishes, cookware, and hygiene products. Her efforts were nothing short of extraordinary.

Bunchy served on the Voices For Children Board of Directors for many years, her leadership and passion invaluable. She actively shaped Voices For Children's work through grant writing, committee service, and even by taking on the role of Interim Director at a crucial time with no pay.

Bunchy touched countless lives, and her legacy will continue through the countless children who benefited from her kindness. Her memory is a reminder of the power of compassion and the importance of making a positive impact on the world. We are excited to celebrate her life and accomplishments at this year's Be A Hero Luncheon.
